## ASSALAMUALAIKUM

## AD-DEEN TAIHAPE ISLAMIC TRUST NEEDS YOUR DONATION

Assalamualaikum

Alhamdulillah, with your generous donations and supplications, Allah swt has granted us this place that we now know as Ad-Deen Mosque in Taihape, New Zealand.

The Trust has embarked on the second phase of the project which is to expand the floor prayer area for the main hall and to create additional floor area for Muslimah.

The completed project which will eventually go on its third and final phase InshaAllah, will have its own madrasah, ghusl area, children's area and a foyer for dawah purposes.

For the current phase, the Trust needs \$75,000/- to purchase the adjacent buildings including land at the rear of the current mosque. The actual amount that has been collected so far are reflected on our website [www.addeenmosque.com](http://www.addeenmosque.com).

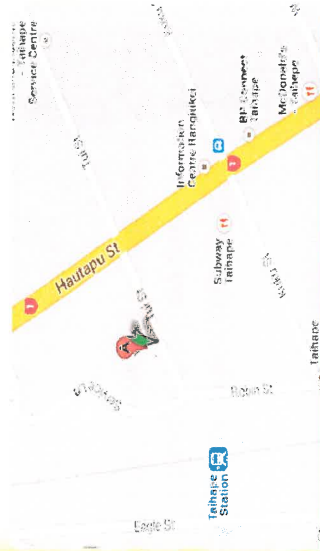

We are hoping to achieve our target by September 2016 after which we will embark on the next and final phase.

Our website also includes extensive detail of the current project.

We sincerely hope that you would be able to help us in achieving this so that we could better support our Muslim community nationally.
